

PRACTICE CONNECT

A practical forum for Practice Managers and GPs

Message from the Tonic Media Network Editorial Committee*

Welcome to another edition of *Practice Connect*, where Tonic Media Network provides topical news and information for you and your patients. Included in this edition:

Long COVID: The latest

Dr Norman Swan takes a closer look with Epidemiologist Professor Greg Dore from the Kirby Institute.

<https://www.mydr.com.au/long-covid-the-latest/>

COVID and children. What should parents do?

Paediatrician, Associate Professor Margie Danchin provides her expert advice. <https://www.mydr.com.au/covid-and-children-what-should-parents-do-if-their-child-gets-the-virus/>

Additional COVID-19 vaccine now recommended for vulnerable Australians

Some Australians can now receive their fourth — and in some cases, their fifth dose of a COVID-19 vaccine.

<https://www.mydr.com.au/additional-covid-19-vaccine-now-recommended-for-vulnerable-australians/>

This could be a bad Influenza season

What can we expect and how it could play out with COVID-19 in the community?

<https://www.mydr.com.au/influenza-could-be-bad-this-year-what-does-it-mean-for-your-practice/>

Here are the top health related searches on Australia's leading direct to consumer health website myDr.com.au:

- ✓ 9 Signs Your Liver may be Damaged
- ✓ Body Mass Index (BMI) Calculator
- ✓ Post-nasal drip: symptoms, causes and treatment
- ✓ Iron intake for vegetarians
- ✓ Endone - side effects, dosage and interactions
